

HORIZON SUITES

Horizon are delighted to announce the opening of our 70 bedroom secure accommodation complex.

ACCOMMODATION

We offer fully serviced rooms to 4* Dubai standard. Every spacious room comes with double bed with orthopaedic mattress, a modern, fully equipped bathroom, personal business area, safe, TV and internet. Our rooms are offered either on a 'per night' or 'full board' basis.

OFFICE SPACE

We offer serviced office space, which is a mix of small and large office areas and conference rooms. Horizon Suites can cater for each client's specific requirements. Please contact us for more details.

SECURITY AND MEDICAL SERVICES

Utilising on our RMC license, we can provide a range of security and medical services:

- Manned Guarding
- Protective Services Detail (PSD)
- International Consultancy and Risk Management Services
- Evacuation services and Medivac
- 1st World clinical and Dental services
- Full MOD 13 medical facilitation
- Paramedical services inside and outside of the 'Green Zone'

VEHICLE RENTAL

Horizon Suites can provide this service, from unarmored to B6 level vehicles, with local drivers whom are proficient in English and vetted to a high standard. You can also request an expat armed team leader and local national armed guards if required - Prices will be given upon requirement from the client

VISA FACILITATION

We can process and obtain, Tourist, 6 and 12 months' multiple entry VISA's. Our simple facilitation process aims to leave as little work for you, so that you can concentrate on your travel plans. We can collect and drop your passport to you - Prices will be given upon requirement from the client.

SECURITY TRAINING

We have the commitment, capability and competency to deliver commencement level to high level professional security and crisis response training courses, including:

- Hostile Environment Awareness Training (HEAT)
- Close Protection course
- Conflict Management
- Kidnap & Extortion
- Weapons Competency

MEDICAL TRAINING

Horizon has, without doubt, some of the most experienced and qualified Medical Subject Matter Experts currently working in the Security Industry. We are pioneers of new medical strategies and have

developed unique medical responses to the global terrorist threat that we now all face.

We offer the following medical courses:

- First Person on Scene, Intermediate (FPOS I)
- First Response Emergency Care (FREC), Levels 3 & 4
- Medicine in Remote Areas (MIRA)
- iFAST Responder
- Pre-Trauma Hospital Life Support Course (PHTLS)
- Advanced Life Support (ALS) course

We are accredited by regulating and awarding bodies including, the Security Industry Authority (SIA), Edexcel, Quasafe, The Royal College of Surgeons Edinburgh, City & Guilds and the Health and Safety Executive, amongst others. These accreditations and endorsements ensure that our training programmes deliver the highest standards of quality assurance and certification.
